

AD Program Wins National Recognition for Bridging the Digital Divide

The Los Angeles County Aging & Disabilities Department's program, **Building a Better Connection for Older Adults (BBCOA)**, has been selected to receive a **2025 USAging Aging Achievement Award** in the **Technology** category.

BBCOA provides eligible older adults and individuals with disabilities in East Los Angeles, Antelope Valley, East Rancho Dominguez, and Willowbrook with iPads, internet service, and an 8-week digital skills training course. The program is designed to improve digital access, promote social connection, and support independent living through technology.

The award will be presented at the **USAging Annual Conference and Tradeshow**, taking place **July 20–23, 2025, in Chicago, IL**, and the program will be featured in the **2025 AIA Showcase**.
